Date:

Dear

**Re: War of The Roses 25th Anniversary—2012**

I write with reference to our Annual Interclub Event—War of the Roses weekend.

This forthcoming year will be the event's 25th Anniversary and the dates for this to be held will be, Thursday 28th June, 2012—Monday 2nd July, 2012.

As a Club promoting the camaraderie of team spirit, we would like to invite your Club and members to our event and a weekend of fun and hopefully sun!! I can guarantee the fun, but unfortunately, not the sun!! But I can try!!!

All camping is at Cartmel Racecourse, which is great ground, whether you are in a tent, caravan or mobile home. The site has electric points (on some pitches), elsan point and toilet and shower facilities, with plenty eating and drinking hostelryes all within easy walking distance in Cartmel village.

I have attached a draft programme of events (subject to change) for the weekend and we try to cater for all and hope that your Club would be interested in attending.

I understand however, that sometimes your Club and members could be looking for different events other than what we have to offer, and if this is the case I would still like to have your feedback—as only by finding out what others are looking for can we perhaps amend what we offer and encourage other Clubs to attend.

If you or any of your members would like to provide me with feedback or have any questions, please do not hesitate to contact me on either 0796 2268653 or 01254 619567 evening, email [sueandsteveham@yahoo.co.uk](mailto:sueandsteveham@yahoo.co.uk)

Kind regards,  
Yours sincerely,

Sue Maynard,  
Secretary,  
**Red Rose Landrover Club.**
